SAS Questions

Student Accommodations Questions

To request disability related services, the student must complete the questions below and provide /present documentation to the Student Accessibility Services of ce. The SAS Of ce is assigned the responsibility for collecting and holding this documentation. All records will be kept in a secure le with limited access.

1. In as much detail as possible, describe how the diagnosed condition impacts you as a student and/or in an educational or residential setting.
2. What types of accommodations have been helpful to you in the past?
3. Do you utilize assistive technology (i.e. screen reader, text to speech, dictation software, assistive listening device, screen magnification)?
4. Do you require housing or dining accommodations? **YES*** **NO**
 * If yes, additional documentation may be required.
5. Did you have an IEP, 504 Plan, or other school-based support during high school? **YES*** **NO**
 *If yes, please submit a copy of the most recent IEP or 504 Plan along with any evaluative records (i.e., psycho-educational or triennial evaluation) with this form.
6. Did you have an accommodation plan at a previous college or university? **YES*** **NO**
 *If yes, please submit a copy of the most recent college or university accommodation plan along with any evaluative records (i.e., psycho-educational or triennial evaluation) with this form.

7.)Disability Information: Please indicate which tasks you feel are areas of concern. There are no right or wrong answers. Your answers help us determine which supports are most appropriate for you, check all that apply:

<input type="checkbox"/>	Asking for help	<input type="checkbox"/>	Asking for help

Confidentiality and Information Release

The Office of Student Accessibility Services (SAS) is responsible for receiving and maintaining disability-related documentation and information for students with disabilities at WNEU. All documentation in the student's SAS file are treated confidentially and will not be released to anyone not involved in the accommodation and service-delivery process with the following exceptions: (a) the student gives SAS a signed release to share disability-related information with the person(s) or of fice(s) named on the release; (b) SAS will release disability-related information as required and/or permitted by the law and/or a court order; (c) the student threatens to harm himself or herself or others; (d) the student files a disability-related complaint, appeal, grievance, or lawsuit against any College of fice or employee(s); (e) there is a need-to-know or right-to-know by college faculty/staff in order to best serve the student. SAS staff will not release disability-related information to a student's parents/guardian/caregiver without a confidentiality release signed by the student. This must be a confidentiality release completed and signed at the SAS of fice. A confidentiality release signed through another of fice or department at WNEU does not grant parental access to disability-related information kept by SAS. When a student with a disability requests accommodation, the student understands that some disability-related information may be provided on a need-to-know basis to WNEU faculty and staff to help ensure that the student receives appropriate accommodations. Otherwise, College faculty and staff need to know only (1) that the student has been through the disability documentation review process; and (2) the accommodations have been approved by SAS to meet the student's disability-related needs.

I _____, authorize the WNEU Office of SAS staff to have access to any and all academic and housing records as required to assist me in planning schedules, evaluating academic progress, and reviewing on campus housing accommodations.

I _____, give WNEU Office of SAS staff permissions to share relevant information on a need-to-know basis with WNEU administrators, faculty, health or counseling staff, and/or emergency personnel; to release relevant information to agencies that provide external support; and to request information about you from other campus of fices.

I _____, give permission for the WNEU Office of SAS staff to contact relevant external and campus service providers (medical doctors, psychologists, audiologist, psychiatrists, off-campus program staff, etc.) who have provided information concerning my disability, in order to obtain information needed to determine appropriate and effective accommodations and services.

I _____, understand that I may amend this agreement at any time in writing and, unless I note otherwise, it will remain in effect until completion of my program at WNEU.

Please list any restrictions, if any, to this authorization below:

Student Acknowledgment

I understand that completing this form is only the initial step in the accommodation process. Once I am registered with SAS, I will need to meet with a SAS Team Member as needed and complete a Welcome/Intake Meeting and if deemed necessary, a Welcome Meeting is required in most cases, with the possible exception of temporary accommodations requests.

I also understand that I am my own advocate. It is my responsibility to request accommodations and to notify instructors of my need for accommodations. It is also my responsibility to report any concerns I may have regarding accommodations to the SAS Office. I understand that documentation of my disability must be provided to the SAS of fice before accommodations will be provided. I realize that I may need additional documentation upon transferring from or to another educational institution. It is my responsibility to consult with the transfer institution regarding their documentation requirements.
